

BARONESS 566

TECHNICAL DATAS - CARACTERISTIQUES TECHNIQUES - SPECIFICHE TECNICHE (2011A)

Project / Conception/Progetto

Naval architecture Berret&Racoupeau (France)
Interior and Exterior Design" Too Design" di Marco Casali (Roma – Italy)

Specifications / Caractéristique/Caratteristiche

Length over all / Longeur hors tous/Lunghezza fuori tutta	17.25m / 56'57"
Length water line / Longeur flottaison / Lunghezza al galleggiamento	15,36m / 50'38"
Beam max / Largeur hors tout/ Larghezza fuori tutta	6.95m / 22'80"
Draft / Tirant d'eau / pescaggio	1.50m / 4'92"
Mast clearance / Tirant d'air /Altezza totale	27,90m / 91'51"
Mast lenght / hauteur de mat/Lunghezza albero	24,55m / 80'52"
Empty displacement / Poid à vide / Peso a vuoto	16.50t /36382 lb

Power / Moteurs /Motori

Engine / Motorisation / Motorizzazione	2x56 to 2x75 Hp / 2x56 à 2x75cv
Fuel capacity / Capacité réservoir carburant / serbatoi carburante	2x350 Lt
Transmission / Transmission/ trasmissione	S-Drive

Sails – Voilure - Vele

Full-batten mainsail / Grand-voile lattée / Randa steccata	113 m2/1217sqft
Furling genoa / Géniois sur enrouleur / genoa avvolgibile	70 m2/ 754sqft
Furling staysail / Trinquette sur enrouleur / trinchetta avvolgibile	27 m2/ 291sqft
Gennaker / Genaker / Gennaker	130 m2/1400sqft

Interior / Interieur / Interni

Fresh water capacity / Capacité réservoir eau / serbatoi acqua	600 Lt
Black water tank / Réservoir eau noir /Serbatoi acque nere	4x50 Lt
Refrigeration / réfrigérateur /Frigoriferi	287 Lt
Freezer / Conservateur / Congelatore	322 Lt

Berths / Couchettes / Cabine

No Of berths / Nb de couchages / Posti letto	
Owner version / version propriétaire/versione armatore	3x2+2 (5 bathrooms/ 5 salle de bains/ 5 bagni)
Standard version / version standard/versione standard	4x2+2 (6 bathrooms / 6 salle de bains/ 6 bagni)
Charter version / version charter/versione charter	6x2+2x1+2 (8 bathrooms/ 8 salle de bain/8 bagni)

EC Certification / Homologation CE / Omologazione CE

A:12 ; B:14 ; C:14

Build / Construction / Costruzione

Hull: Sides: infused balsa/pvc core sandwich with vinilester and polyester resins
Bottom: infused solid glass with vinilester and polyester resin
Deck : infused balsa/pvc core sandwich with vinilester and polyester resins
Hull frame: carbon reinforcements

Coque Bordé: sandwich balsa/pvc en infusion avec resins vinilester et polyester
Fonds: monolithique en infusion avec resins vinilester e polyester
Pont: sandwich balsa/pvc en infusion avec resins vinilester et polyester
Structure: renforts carbone

Guscio Murate: sandwich balsa/Pvc in infusione con resine vinilester e poliestere
Carena: monolitico in infusione con resine vinilester e poliestere
Ponte: sandwich balsa/Pvc in infusione con resine vinilester e poliestere
Struttura: rinforzi carbonio

Tender / Annexe / Tender

300 Kg/675 lbs * 4.00 m / 13'12"
